

3/14/20

Dear Friends,

After monitoring local, state and federal sources regarding the Coronavirus, we have decided to voluntarily close for a two-week period to ensure the health of our guests and employees. From Monday, March 16 – Monday, March 30th Blue Heron will be closed, and we will re-evaluate our re-opening date during that time.

This is an incredibly difficult decision for any business owner to make but based on current information from the CDC and public health officials we believe this is the most responsible option to keep our staff, guests and community safe and healthy.

We will be open for dinner tonight and tomorrow night (Saturday & Sunday, March 14th & 15th), while spacing out reservations and seatings to maintain safe distances and continuing our rigorous cleaning and sanitation practices. We will also have take-out available for those who would prefer that option!

Thank you again for your continued support and we look forward to welcoming everyone back when we know it is safe to do so.

With deep gratitude,

Deborah, Barbara & the Blue Heron team
