

PHASE III RESERVATION POLICIES

EFFECTIVE 7/6/2020 UNTIL FURTHER NOTICE | UPDATED 11/2/2020

- Reservations are required for all parties, please call ahead.
- All parties require a credit card number to hold the reservation. If you do not call in advance to cancel your reservation and do not show, your credit card will be charged a \$35 per person “no call, no show” fee.
- Reservations are available from 5-8 pm. To comply with the Governor’s executive order, no guests are permitted in the building after 9:30 pm.
- For health and safety purposes, all tables are given a two hour time limit.
- You can make a reservation for a table inside or outside. In case of inclement weather, all outside tables will have the option to dine inside. If you do not wish to dine inside in this case, please call to cancel or postpone. Outdoor dining will be available as long as we are able to.
- All tables are positioned so to maintain at least a 6 foot distance from all other tables. All customers must remain seated except for traveling in and out and using the restroom. Please keep your kids seated at the table at all times.
- Patrons may only be served at the bar for seated dinner service. Parties seated at the bar must be spaced at least six feet from other patrons.
- Heaters are set up in proximity to all outdoor tables. For indoor dining we have the heat on with HEPA certified air purifiers in all dining areas. To increase ventilation per state and public health guidelines, indoor dining areas may have open windows and doors as well. Please take this into consideration when planning your visit and dress warmly for dining inside or out.
- If you arrive early for your reservation, please stay in your car until the time of your reservation (no bar or waiting area permitted). You may call from your car if you arrive early to see if we are able to seat you early.
- Masks are required while on our premises, with the exception of children under 2. You may remove masks only while seated at the table and eating and drinking, but you must wear your mask while speaking to any Blue Heron staff, even while seated at your table.
- Do not come if you are feeling unwell, including COVID-19 symptoms (fever of 100.3 or higher, shortness of breath, cough, new loss of scent or taste) as well as any symptoms that could generate respiratory droplets, including a cough or sneeze from allergies.
- Alcohol-based hand sanitizers with at least 60% alcohol are provided at entrance/exit and on each table for your use.

We look forward to your visit!
