

# RESERVATION POLICIES

EFFECTIVE 9/16/2021 UNTIL FURTHER NOTICE

- **Masks are required for all guests over the age of two. Please wear your mask at all times during your visit except when eating or drinking (per the Town of Sunderland Board of Health).**
- Reservations are required for all parties, including seats at the bar; please call ahead.
- All parties require a credit card number to hold the reservation. If you do not call in advance to cancel your reservation and do not show, your credit card will be charged a \$35 per person “no call, no show” fee.
- Reservations are available from 5-9 pm. All tables are given a two hour time limit (if you require a longer time, please indicate at the time of requesting reservations).
- You can make a reservation for a table inside or outside. In case of inclement weather, all outside tables will have the option to dine inside. If you do not wish to dine inside in this case, please call to cancel or postpone.
- All tables are positioned so to maintain a 4-6 foot distance from all other tables. We ask that customers remain seated while on our premises to reduce the spread of respiratory droplets. Please keep your children seated at the table at all times.
- For indoor dining, we have HEPA certified air purifiers in all dining areas. To increase ventilation per public health guidelines, indoor dining areas may have open windows and/or doors. For outdoor dining we have heaters available. Please take this into consideration when planning your visit and dress accordingly for dining inside or out.
- If you arrive early for your reservation, please stay in your car until the time of your reservation (no bar or waiting area permitted). You may call from your car if you arrive early to see if we are able to seat you early.
- Do not come if you are feeling unwell, including COVID-19 symptoms (fever of 100.3 or higher, shortness of breath, cough, new loss of scent or taste) as well as any symptoms that could generate respiratory droplets, including a cough or sneeze from allergies.
- Alcohol-based hand sanitizers with at least 60% alcohol are provided at entrance/exit and on each table for your use.

***We look forward to your visit!***
